“ The best flatpacked event accommodation on the market, that even looks really good and has all the comfort. ”

Kim Abercrombie

Very compact

- Environmentally friendly
- Saves on transport costs
- Fast to erect
- All-in-one package
- Low labour intensity

40 Festicabins on 1 full truck

Suitable for 1 to 4 people

With an integrated double bed or 2 single beds as standard, the Festicabin can also be optionally fitted with 1 or 2 comfortable bunk beds. The RGBW LED lighting always creates the right atmosphere. Plus, of course, there is plenty of storage space for items such as clothes.

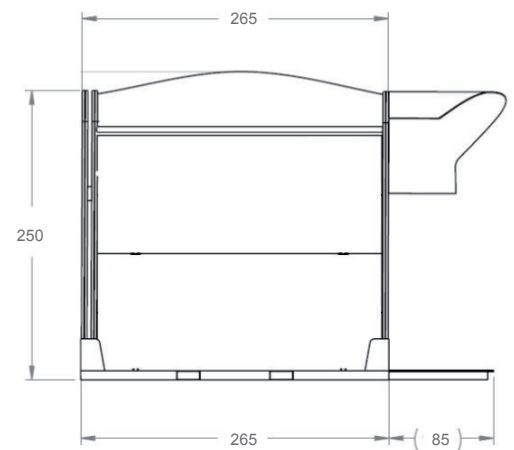

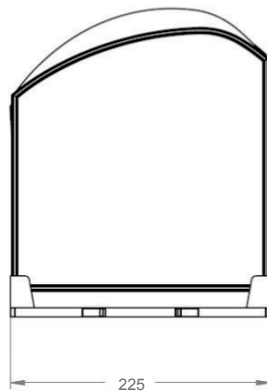

Festicabin: Modern and comfortable

Dimensions

1 freestanding Festicabin:
265 x 225 x 250 cm (L x W x H)

Integrated double bed or
2 single beds:
200 cm x 150 cm (L x W)

Options

All Events also gives you the opportunity of creating a great covered space between 2, 3 or 4 Festicabins by adding a Flextent. Both Flextents and Festicabins can be fully personalised to meet your needs.
