

FESTIHUT®

YOUR EVENT ACCOMMODATION

Technical data

- Freestanding unit (no noise from neighbours)
- Extremely cheap to transport: TRANSPORT PER 16 Festihuts (full trailer load)
- Choice of 1 to 6 berths per Festihut
- Large shutter for plenty of light and fresh air
- Always installed at least 10 cm above ground (no risk of flooding)
- Surface area of 7.5 m²
- Insulated roof
- Safe and solid, burglar proof
- Lockable door with 2 unique keys per Festihut
- Quickly assembled and dismantled by our team that has well over 15 years' experience in the sector
- Can also be put in place by means of a crane
- Ecologically sound due to its compact design
- In accordance with European standard EN 13782

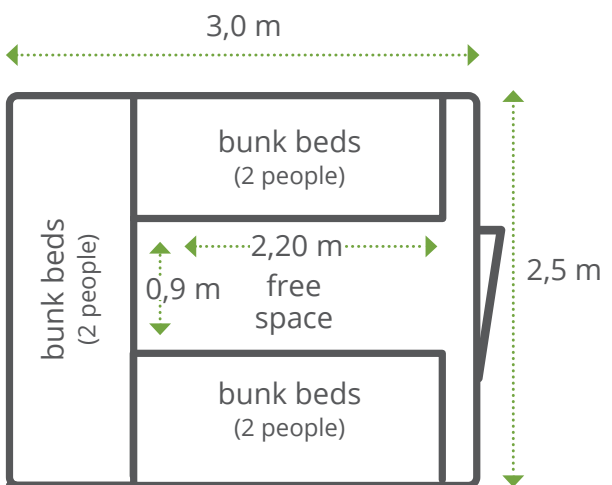

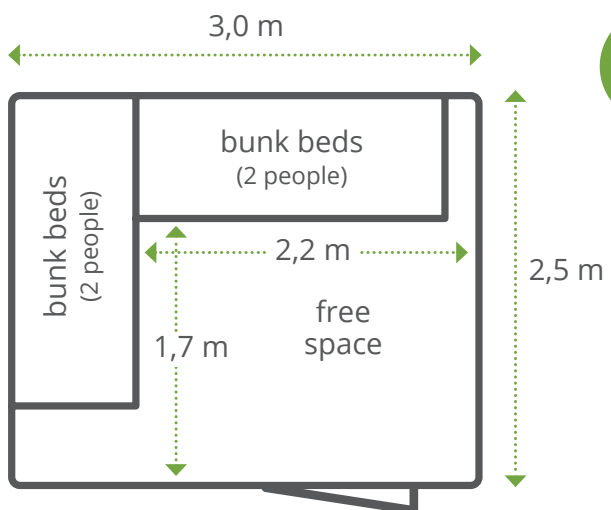

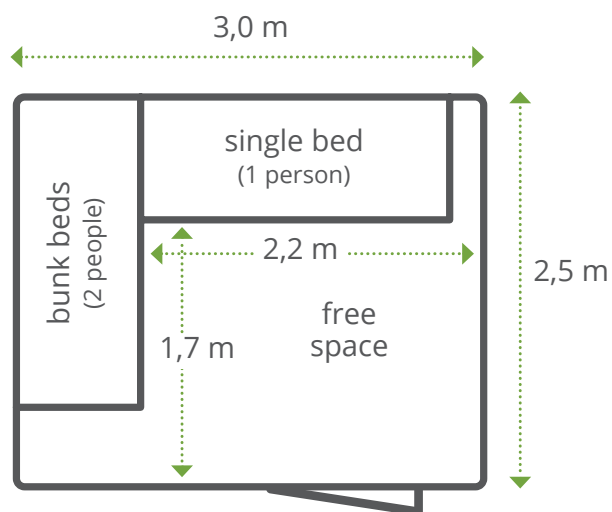

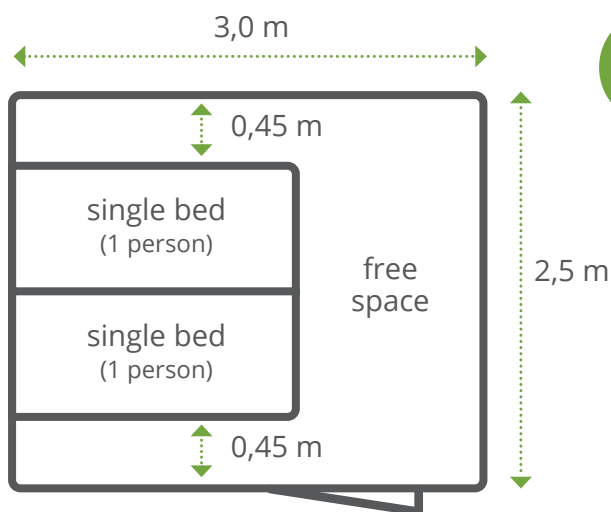

“ **As the Festihut is always installed 10 cm above ground, damp beds and clothes are a thing of the past!** ”

Extremely compact

- Environmentally friendly
- Save on your transport costs
- Quick to assemble
- All-in-one package
- Little labour required

16 Festihuts on 1 full truck
