

WORKLITE™ 24W 24V AC

SERIALLY CONNECTABLE LED WORK SITE LIGHTING

- Long-lasting, maintenance-free and energy-saving LED worksite lighting
- Saves energy over 70% as compared to the fluorescent tube
- Shock and vibration resistant
- Good colour rendering
- Pleasant working light due to smooth spectral curve and good colour rendering
- Available in all voltage 24V, 48V, 110V and 230V
- Simple installation without the license of an electrician
- Flicker-free light, the leds light up immediately and burn brightly even in frost
- Meets the standards EN 60589-1 and EN 60598-2-22
- Two year warranty
- Registered design for the European market
- Designed and manufactured in Finland

Chaining units maximum 20 pcs.

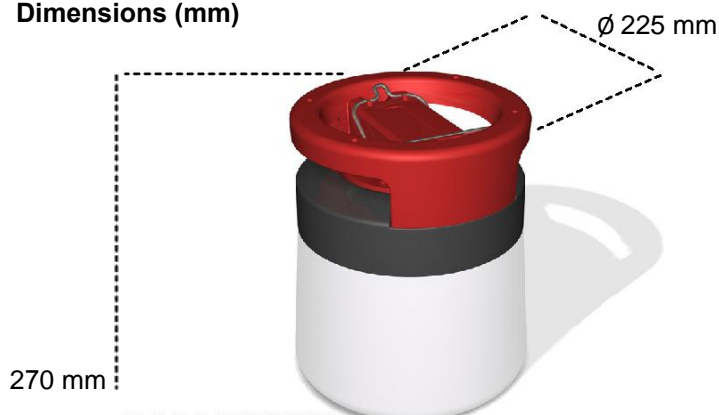

Model and product code:

WorkLite 48V AC 60009000

Structure:

Housing: Cast corrosion-resistant aluminum, powder-coated RAL tone. Available with your own logo and colour.
Handle: Injection moulded abs/pc with fireprotection
The shell: blow-moulded polyethylene neutral
Recyclability: the lamp is fully recyclable

Dimensions (mm)

Technical information:

Power:	24 W
Input power:	24V / 1,0 amp
The light output:	3600 lm
Interface device:	standard power supply
Power factor:	0.99
Operating voltage :	24 V AC or DC
Power connection:	rub.cable 10m 2x2,5mm ²
Operating temp. range:	40 °C to + 50 °C
Colour temp.:	5000K
Colour rendering:	> 80 Ra
The light output:	70% after 100 000 h use
Protection class	IP54
Weight:	1.5 kg

Manufacturer:
